If you do not see your plan on the list above, you can contact your insurance provider by calling the phone number on the back of your insurance card. They can tell you whether they participate with Dr. Lee.

We also continually add plans to our roster to better serve our community so please call our office and let us know if we don't participate with your plan.

We will file claims for all services covered by your insurance plan. You will be responsible for any services not covered by your insurance. These expenses typically include: deductible payments, co-insurance, co-pays, and elective cosmetic consultations and procedures. Payments can be made by cash, check or credit card (Visa and MasterCard).
